

2019 NSW Post-School Destinations and Experiences Survey

Regional differences in apprenticeships, traineeships, occupations and areas of study

The 2019 NSW Post-School Destinations and Experiences Survey collects information about students' main destination¹ and school experience in the year after completing Year 12 or leaving school early. We spoke to 18,777 Year 12 completers and 6,135 early school leavers.

This fact sheet provides a brief overview of regional differences in apprenticeships, traineeships, occupations and areas of study being undertaken by NSW School Leavers in 2019. Region (Greater Sydney, Rest of NSW) is based on the location of the school attended by the student. Greater Sydney and Rest of NSW are based on intuitive groupings of the 28 Statistical Area Levels (SA4) for NSW defined within the ABS Australian Statistical Geography Standard (ASGS).

1. A total of ten post-school destinations were defined from responses to a number of items relating to participation in further education and current employment. This classification system is a hierarchical classification system, which prioritises education related post-school destinations over participation in employment. As such, it represents a young person's main destination since leaving school.
