

Mau beli apa?

What do you want to buy?

1 Shopping for food

- Express what food items you want to buy
- Participate in an exchange with a food seller, discussing food items
- Ask for, understand and give prices, using large numbers

Mini task 1 – shopping list and conversation

Plan to cook a meal with a friend, creating the shopping list and having a conversation.

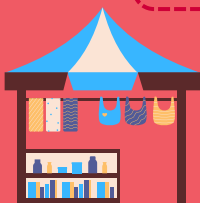

2 Shopping for souvenirs

- Express what souvenirs you want to buy
- Describe common Indonesian souvenirs
- Identify different places to shop in Indonesia
- Give opinions with reasons when shopping

Mini task 2 – advertisements

Listen to Indonesian shopping advertisements and answer questions in English. Then message a friend to ask them to buy one of the items.

3 Bargaining

- Bargain to negotiate the cheapest price for a souvenir
- Identify and use culturally-appropriate bargaining strategies to make a purchase

Mini task 3 – at the market

Create a dialogue identifying and describing what you want to purchase. Ask and answer questions and use bargaining strategies.

4 Assessment task

You are shopping in a market in Indonesia for a souvenir to take back to your friend in Australia. Have a conversation with the seller about the item you wish to buy and then bargain to make the purchase.
