

ECEC Flexible Initiatives Trial – Round 3

Application resources: Projected timeline template

This template is designed to help you plan and organise the projected timeline section of your application form. You can use this resource to map out key activities and milestones before copying the information into the relevant section of the application. Completing this template first can support a clearer, more structured application.

Program guidelines

- Read and understand the [ECEC Flexible Initiatives Trial Round 3 program guidelines](#)

Proposed initiative – Proposed start date:

- You will be required to add your proposed start date to the application form:
 - proposed start date format should be [dd/mm/yyyy](#)
 - start date will need to be **after 1 December 2025** (see [Key dates](#))
 - funding is proposed to run for 12 months. Additional time may be considered for necessary regulatory and/or local council approvals.

Proposed initiative – Projected timeline:

- Review '[What can and cannot be funded](#)' under each stream
- Propose the milestones for your initiative: "A milestone is a key event in your proposed initiative that must be met before you can receive the planned payment and move to the following stage".
- Prepare your projected timeline in this template:

Note:

- You can upload this template to your application form in the 'Projected timeline' section. Alternately, you will be required to paste the information from this template to your application form.
- Use the +/- at the end of the table in the application form to add/delete rows.

Projected timeline	Milestone	Add any other comments
e.g. By end of Month 2	DA Approval	Eg. DA and council approval required before amended operating hours can commence
