22.3. Notices

A notice or communication has no effect unless it is in writing and sent by email, post or delivered to the addressee. Each party's address and email details are set out in the Funding Specification (on page 1, at the 'Approved Funded Provider Details').

A party can change its details by giving notice of it to the other party. A notice is received: if sent by email at the time the email is sent if there is no delivery failure report; if sent by post 2 business days after posting; or if delivered when it is left at the address.

22.4. Further assurances

Each party must promptly (at its own cost) do all things necessary or desirable to give full effect to the Funding Agreement.

22.5. Approvals

A party may give or not give an approval or consent in its absolute discretion (without reasons), unless stated otherwise.

22.6. Entire understanding

The Funding Agreement (and the documents it specifically refers to) is the entire agreement between the parties on everything connected with the subject matter of the Funding Agreement and supersedes any prior agreement.

22.7. Priority of Documents

If there is any inconsistency between the parts of the Funding Agreement, then the order of priority for the purposes of construction is (a) these Terms and Conditions, (b) the Funding Specification, (c) the Grant Confirmation Letter, (d) the Project Plan and then (e) the Program Guidelines.

22.8. Survival

Any provision of this Funding Agreement which, by its nature, would reasonably be expected to be performed after the ending of this Funding Agreement will survive the ending of this Funding Agreement, such as, clauses 5(e) (No promise for future funding), 6.2 (Vehicle), 8 (Performance Monitoring and Review), 11 (Obligations relating to Funding), 12 (Records and Reports), 15 (Termination), 18 (Repayment of Funds), 17 (Information management), 19

(Indemnity), 20 (Exclusion of liability), 21 (Acknowledgement, publicity and reputation) and 22 (General).

22.9. Severable

If any clause of the Funding Agreement is illegal or unenforceable it is to be severed. The rest of the Funding Agreement will not be affected.

22.10. Waiver

If a party has a right arising from another party's failure, the delay in exercising that right does not waive any rights.

22.11. Change

Any change to the Funding Agreement is only effective if in writing.

22.12. Assignment

The AFP must not assign any of its rights or obligations without the department's written consent. The department may assign any of its rights or obligations under the Funding Agreement.
