

Turn your experience into a qualification

Have you been working in the housing construction sector but never completed your trade qualification?

Turn your experience into a sought-after qualification through the **Trade Pathways for Experienced Workers - Housing Construction** program — and take the next step in your career.

Are you 21 or older with at least 3 years' relevant work experience? Use your industry experience towards a qualification.

Simply contact an approved training provider to have your skills assessed.

Complete targeted fee-free gap training to earn your trade qualification.

Eligibility criteria

To participate, applicants must be at least 21 years old, have a minimum 3 years' relevant work experience (with at least 12 months in Australia) and satisfy a number of other eligibility criteria, including the Smart and Skilled student eligibility criteria.
