

Anti-racism policy

Dear parents and carers

The Department of Education rejects all forms of racism and is committed to the elimination of all forms of racial discrimination in NSW public schools. The Department's [Anti-Racism Policy](#) aims to ensure that no student, employee, parent, carer or community member experiences racism within the school environment.

The policy asks all members of the school community to assist in countering racism by demonstrating respect for the cultural, linguistic and religious backgrounds of others, and by behaving in ways that promote acceptance and harmony in the school environment.

Each school has an Anti-Racism Contact Officer (ARCO) who is trained to assist with countering racism and supporting the school community when making complaints of racism in schools. For more information about the policy and the role of the ARCO see [Anti-Racism Policy - Information for parents and carers](#).

Thank you for assisting us to maintain a positive school environment in which all forms of racism are rejected. Please contact me if you or your child experience any form of racism, witness anyone experiencing racism at our school, or if you would like further information or support.

Yours sincerely

Principal
