

School Based Traineeship

Floristry Assistant

A Traineeship in the floristry industry reflects the role of floristry assistants who use a defined and limited range of basic floristry technical skills to assemble fundamental floristry products to pre-determined designs and job specifications involving mainly routine and repetitive tasks using limited practical skills and basic floristry industry knowledge under direct supervision and creating a pathway to work as a floristry assistant in a diversity of floristry industry business types including retail floristry shops, studios/online floristry.

Outcome on completion of your HSC

- Certificate II in Floristry (Assistant) SFL20115 in SFL Floristry Training Package.
- Articulation into a Traineeship in Certificate III Floristry.
- A career path into the Floristry industry.

Course delivery

- Both on the job and off the job and can be delivered face-to-face, flexibly or mixed mode.
- The SBT term is calculated in months from the date of commencement to 31 December of the HSC year.

Commitment required

- Undertake a minimum of 100 days in paid employment and training.
- Undertake Certificate II Floristry as part of your HSC.
- The employment and training can be undertaken during school time, after school and during school holidays.

How will you be assessed?

- Both on the job and off the job through written tests, project work and practical exercises.

Course	ATAR eligibility	HSC unit credit
Floristry	No	5 units over two years towards your HSC for the formal training component (VET course).
Industry-based Learning course (optional)	No	This optional course recognises the significant work component involved in the school based apprenticeship. The course offers an additional 4 units credit towards your HSC. This HSC VET course does not contribute towards the calculation of the ATAR.
