

**School Delivered
VET course**

Visual Arts and Contemporary Craft

In this course you will develop a range of visual art skills in different visual arts, craft and design environments. You will learn basic skills and techniques using various art mediums such as ceramics, digital imaging, drawing, painting, printmaking and photography.

Is this course right for me?

Visual Arts and Contemporary Craft reflects the role of individuals who are developing a range of visual art skills and techniques. Practice at this level is underpinned by the application of introductory art theory and history.

Where can this course take me?

The job roles that relate to this qualification may include:

- artist
- ceramics studio assistant
- designer
- photographer

It also provides pathways to other visual arts, craft and design job roles.

This course can lead to further study, such as:

- CUA41320 Certificate in IV Visual Arts
- CUA51125 Diploma of Visual Arts
- CUA60725 Advanced Diploma of Visual Arts
