

NSW High-level Student Journey Map

The purpose of the NSW Student Journey Map is to outline key decisions and activities to support students to succeed post-school.

It is intended to:

- Identify intervention points that will inform and enhance students' pathways;
- Highlight critical decision points that will influence selection of post-school destination; and
- Determine the career support and services required for each stage.

STUDENTS' JOURNEY

HIGHER EDUCATION

VOCATIONAL EDUCATION AND TRAINING

EMPLOYMENT

FOCUS AREAS

CAREER LEARNING

Embed work and enterprise learning in curriculum K-12

ENABLERS

CONTRIBUTORS

Teach, motivate, guide and support students

INFORMATION

Provide feedback to guide decisions
