Pentatonic worksheet

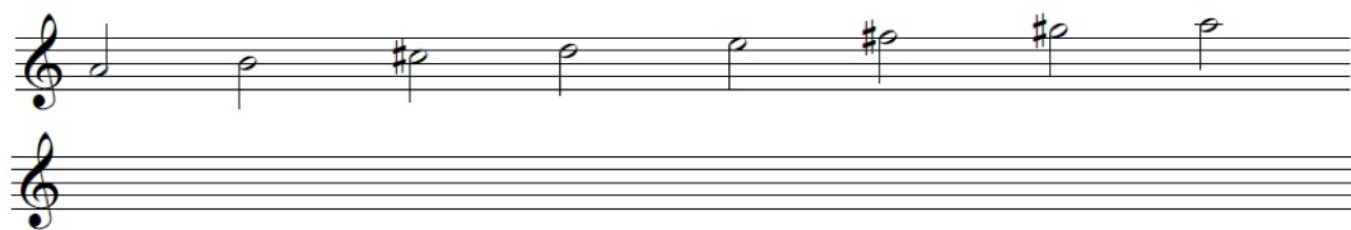

Pentatonic worksheet

1. Rewrite the following Major scales as pentatonic scales.

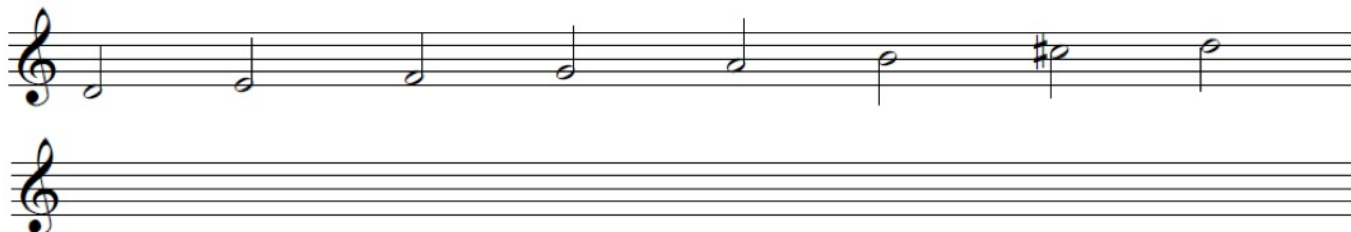

G Major

A Major

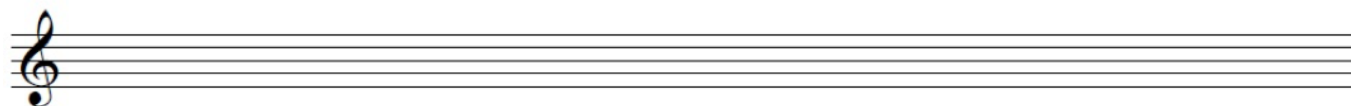

D Major

2. What are the pitch names for an F pentatonic scale?

3. What are the pitch names for a C pentatonic scale?

4. Notate a one octave C pentatonic scale *ascending* and *descending* as semibreves, on the staff below.

5. In the music below, circle the notes that DO NOT belong. Remember it is not the 4th and 7th note but the 4th and 7th scale *degree*. You will need to determine what pentatonic scale each small piece is based on and what notes belong to that scale.

Tune 1
