Pitch names – treble clef

Pitch names – treble clef

Write the treble clef pitch names under the following notes. The top line can be used for reference.

Staff 1: C D E F G A B C D E F G A

Staff 2: (Notes without labels)

Staff 3: (Notes without labels)

Staff 4: (Notes without labels)

Draw the following treble clef pitches as semibreves.

high D B low D low F high G middle C low E high F high C high A low A

Draw the following treble clef pitches as crotchets. Notes below B have a stem that goes *up* on the *right*. Notes above B have a stem that goes *down* on the *left*. The stem for B can go up or down.

low D low E B high F middle C low G high A high C low F high E high F

Draw the notes of the C Major scale ascending (going up) as minims.
