

Highlights Kids

Disclaimer: [ASEPA](#) (Australian Special Education Principals Association) have joined together with UK-based nasen ([National Association for Special Educational Needs](#)) to work in partnership to crowd-source free resources that may be useful in supporting children with complex and/or additional learning needs.

Who is this resource for?

Activities for student

- Highlights Kids is aimed at children ages 6 to 12. It contains stories, adventures, brainteasers and puzzles. It allows children to use their creativity and imagination; develop their reading, thinking and reasoning skills. There is also an audio magazine that can be downloaded as a podcast.

Setting up

1. Access Highlight Kids [here](#). Navigate through the website using the different icons.

2. The Highlights Hangout podcast can be accessed [here](#) and listened to using Apple Podcasts

How can my child use this resource?

As parents of students who may have additional learning and support needs or disabilities, you may need some help to make all of this technology work for your child. Below is a link to some 'How to Videos' to support parents with making it easier to work online.

The screen shot shows what you will see when you click on the link.
