Restoring a Google Classroom

Follow the steps below to help you restore a Google Classroom.

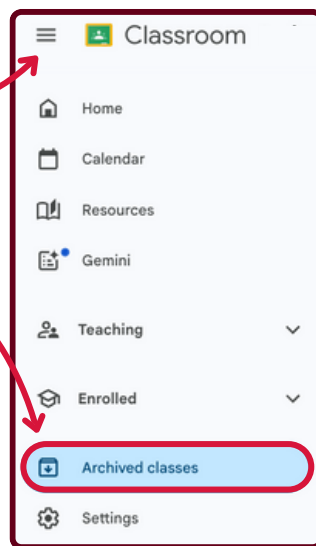

Step 1

Navigate to the Google Classroom homepage.

In the top left hand corner of the screen and click the hamburger menu.

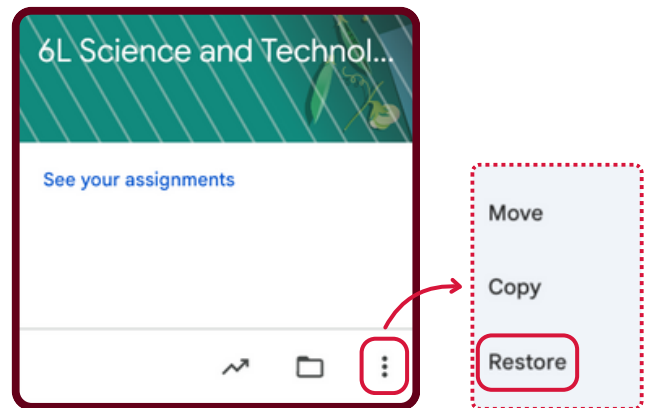

Scroll down the menu and click the Archived classes button.

Note: collapsing the 'Teaching' and 'Enrolled' dropdowns will make Archive easier to find.

Step 2

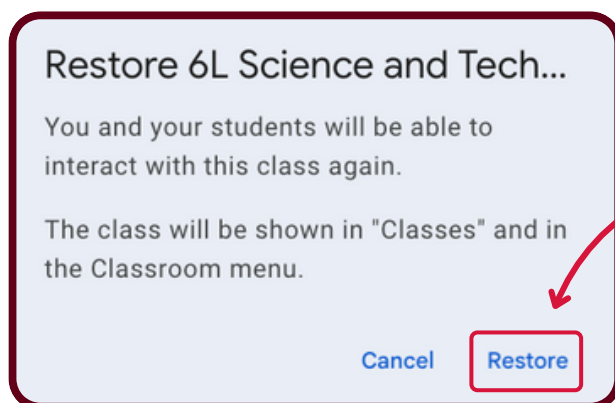

Find the class you wish to restore.

In the bottom right hand corner of the tile, click the three dots and select restore.

Step 3

A confirmation pop-up window will appear.

From the popup menu, click restore again and the class will be shown under classes and in the classroom menu.

Note: 'Class Restored' notification will appear in the bottom left corner to confirm your class has been restored.

Class restored

Your Google Classroom will automatically restore, giving all members access to the classroom. The class tile will be available within the Home tab.
